When lawyers, bankers and techs conspire illegally with the President to seize powers, democracy dies

American society’s new battleground—citizens who exploit the law’s good faith expectations, and breach their public oaths, in order to neuter checks and balances and prevent accountability

**Leader v. Facebook**: Facebook guilty on 11 of 11 counts, yet courts rule against Leader while judges held Facebook stock

- The White House promotes 47 million Facebook “likes”
- The U.S. Patent Office promotes 15K personnel Facebook “likes”
- Lawrence Summers wants to be Chairman of the Federal Reserve

**Conclusion**: They need Leader’s tech to seize power via LOFO* titillation, pandering & coercion

* Low-information voter

**Result if they get their way**: George Orwell’s 1984—where liars and deceivers govern, corruption is king and nothing is what it seems

**How do we stop this?**

Return Facebook’s engine to its rightful owner—Leader Technologies, Columbus Ohio
How disinformation bought the White House (and plans to keep it)
